
From the Editor:

This issue was put together by Kazuhiko Hosaka (Department of Zoology, Kyoto University), Nicola Koyama (Department of Psychology, University of Liverpool), Noriko Itoh, and Michael A. Huffman (Department of Zoology, Kyoto University).

We are grateful to all those that cooperated with this issue, especially those contributors of articles and photographs. *Pan Africa News* welcomes your contributions on any topic in the area of chimpanzee research/conservation. We also gather information about the recruitment of research assistants and conservationist staff in your study sites. Publication of the next issue is scheduled for June, 1995. Correspondence should be addressed as follows:

**Editorial Office, Pan Africa News
Laboratory of Human Evolution Studies
