

Proceedings of the 2nd International symposium on
SEASTAR2000 and Asian Bio-logging Science
(The 6th SEASTAR2000 Workshop)

Edited by Nobuaki Arai

December 13-14, 2005
Siam City Hotel, Bangkok,
Thailand

Organized by
Graduate school of Informatics,
Kyoto University
JSPS Bangkok Liaison Office
Japanese Society of Bio-logging Science
Information Research Center for
Development of Knowledge Society
Infrastructure

The editing work was supported by many graduate students of Kyoto University.
Special thanks to Mr. Tohya Yasuda for his beautiful illustration of front and back covers.

Contents	Page
Review of SEASTAR2000: Sea turtles, Mekong catfish, dugongs NOBUAKI ARAI	3
Session 1 MEKONG GIANT CATFISH	
The review of the Mekong giant catfish tracking project (MCTP) from 2002 to 2004 HIROMICHI MITAMURA, YASUSHI MITSUNAGA, NOBUAKI ARAI, YUKIKO YAMAGISHI, METHA KHACHAPHICHAT and THAVEE VIPUTHANUMAS	7
Study on the behavior of F2 Mekong giant catfish using ultrasonic telemetry YUKI KAWABATA, YUKIKO YAMAGISHI, HIROMICHI MITAMURA, YASUSHI MITSUNAGA, NOBUAKI ARAI, METHA KHACHAPHICHAT and THAVEE VIPUTHANUMAS	13
Feeding habits of hatchery-reared young Mekong giant catfish in a fish pond and in Mae peum reservoir YUKIKO YAMAGISHI, HIROMICHI MITAMURA, NOBUAKI ARAI, YASUSHI MITSUNAGA, YUKI KAWABATA, METHA KHACHAPHICHAT and THAVEE VIPUTHANUMAS	17
Session 2 DUGONGS	
The acoustical characteristics of dugong calls and the behavioral correlates observed in Toba aquarium YOICHIRO HISHIMOTO, KOTARO ICHIKAWA, TOMONARI AKAMATSU and NOBUAKI ARAI	25
Pattern analyses of the vocal structure of dugong calls NAOKO OKUMURA, KOTARO ICHIKAWA, TOMONARI AKAMATSU, NOBUAKI ARAI, TOMIO SHINKE, TAKESHI HARA and KANJANA ADULYANUKOSOL	29
Analysis of ship noise around a dugongs' habitat SHIMAKO SAKAMOTO, KOTARO ICHIKAWA, TOMONARI AKAMATSU, TOMIO SHINKE, NOBUAKI ARAI, TAKESHI HARA and KANJANA ADULYANUKOSOL	33
Monitoring dugong feeding behavior in a tidal flat by visual and acoustic observation CHIKA TSUTSUMI, KOTARO ICHIKAWA, TOMONARI AKAMATSU, NOBUAKI ARAI, TOMIO SHINKE, TAKESHI HARA and KANJANA ADULYANUKOSOL	37
Session 3 SEA TURTLES	
Individual nest site preference of green turtle, <i>Chelonia mydas</i>, on Mak Kepit beach and its relation with hatching emergence success AHMAD ALI, KU KASSIM KU YAACOB, SOLAHUDDIN A. RAZAK and ZULKIFLI TALIB	45
Seasonal nesting of green turtles at Huyong Island, Thailand TOHYA YASUDA, KONGKIAT KITTIWATTANAWONG, WINAI KLOM-IN and NOBUAKI ARAI	51
Marauder ant (<i>Pheidologeton affinis</i>) predation of green turtle (<i>Chelonia mydas</i>) nest in Chagar Huntang, Redang Island and measures to protect the nests MORITA MASAYUKI, CHAN ENG HENG and ABU HASSAN AHMAD	55
Dispersal processes of head-started hawksbill turtles (<i>Eretmochelys imbricate</i>) in the Yaeyama Islands waters, Okinawa, Japan JUNICHI OKUYAMA, TOMOHITO SHIMIZU, OSAMU ABE, KENZO YOSEDA and NOBUAKI ARAI	63
Successful spontaneous nesting of the hawksbill turtle (<i>Eretmochelys imbricate</i>) at Yaeyama Station, National Center for Stock Enhancement, Japan TOMOHITO SHIMIZU, KIMIO ASAMI, KAZUHISA YAMAMOTO, SHIGEKI DAN, and KENZO YOSEDA	69
The effect of tsunami on sea turtle nesting beaches along the coast of India A. MURUGAN	75
The interaction between the tune fishing operation and sea turtles issue in Viet Nam PHAN HONG DUNG	79
Steatitis and Vitamin E deficiency in captive olive ridley turtles (<i>Lepidochelys olivacea</i>) SONTAYA MANAWATTHANA and CHAIYAN KASORNDRKBUA	85
Tagging Study of Green Turtles (<i>Chelonia mydas</i>) on the East Coast of Peninsular Malaysia S. ABULLAH, ZULKIFI T., and MAZLAN I.	89
