

1. Manuscripts, tables and figures must be submitted in three copies. Manuscripts should be typed double-spaced with wide margins on 8.5 by 11 inch paper. The text of all regular manuscripts should not exceed 12 typewritten pages, and that of a case report 6 pages. The abstract should not exceed 250 words and should contain no abbreviations.
2. The first page should contain the title, full names and affiliations of the authors, key words (no more than 5 words), and a running title consisting of the first author and two words.
e.g.: Yamada, et al.: Prostatic cancer · PSAP
3. The list of references should include only those publications which are cited in the text. References should not exceed 30 readily available citations. Reference should be in the form of superscript numerals and should not be arranged alphabetically.
4. The title, the names and affiliations of the authors, the director's name, and an abstract should be provided in Japanese.
5. For further details, refer to a recent journal.
