

KYOTO UNIVERSITY

PUBLICATIONS  
OF THE SETO MARINE  
BIOLOGICAL LABORATORY

Volume XVI

PUBLISHED BY THE LABORATORY  
SIRAHAMA, WAKAYAMA-KEN, JAPAN  
1968-1969

## CONTENTS

### No. 1 (June 29, 1968)

1. **Lester, R.J.G.:** Feeding of *Priacanthus tayenus* and *P. macracanthus* near Hong Kong. .... 1
2. **Nishimura, S.:** A larval gnathiid from Seto, Japan (Crustacea: Isopoda). .... 7
3. **Hayashi, K. and S. Miyake:** Three caridean shrimps associated with a medusa from Tanabe Bay, Japan. .... 11
4. **Utinomi, H.:** A revision of the deep-sea barnacles *Pachylasma* and *Hexelasma* from Japan, with a proposal of new classification of the Chthamalidae (Cirripedia, Thoracica). .... 21
5. **Tahara, Y. and M. Okada:** Normal development of secondary sexual characters in the sea urchin, *Echinometra mathaei*. .... 41
6. **Hamatani, I.:** A new species of *Elysia* from Kii, Japan (Opisthobranchia-Sacoglossa). .... 51
7. **Tokioka, T.:** Preliminary observations made by Mr. S. HAMAHIRA on the growth of a giant colony of the madreporarian coral *Pavona frondifera* LAMARCK, found in a cove on the southwestern coast of Sikoku Island. .... 55
8. **Nishimura, S.:** Glimpse of the biology of *Argonauta agro* LINNAEUS (Cephalopoda: Octopodida) in the Japanese waters. .... 61
9. **Nishimura, S.:** A preliminary list of the pelagic Cephalopoda from the Japan Sea..... 71

### No. 2 (September 25, 1968)

10. **Chiji, M. and S.M. Lopez:** Regional foraminiferal assemblages in Tanabe Bay, Kii Peninsula, Central Japan. .... 85
11. **Arakawa, K. Y.:** Studies on the molluscan faeces (III). .... 127
12. **Tokioka, T.:** Contributions to Japanese ascidian fauna XXIII. On *Botrylloides violaceus marginatus* TOKIOKA, 1967. .... 141

### No. 3 (November 20, 1968)

13. **Gamô, S.:** Studies on the Cumacea (Crustacea, Malacostraca) of Japan. Part III. .... 147
14. **Harris, L. G.:** Notes on the biology and distribution of the aeolid nudibranch (Gastropoda), *Phestilla melanobranchia* BERGH, 1874. .... 193
15. **Tokioka, T.:** Contributions to Japanese ascidian fauna XXIV. On *Sigillinaria clavata* OKA, 1933. .... 199
16. **Araga, Ch. and H. Tanase:** Further record of winter fish stranding in the vicinity of Seto. .... 207

No. 4 (December 27, 1968)

17. **Tanaka, O. and M. Omori:** Additional report on calanoid copepods from the Izu region. Part I. *Euchaeta* and *Pareuchaeta*. ..... 219
18. **Umezaki, I.:** A study on the germination of carpospores of *Dudresnaya japonica* OKAMURA (Rhodophyta). ..... 263
19. **Nishimura, S.:** *Gnorimosphaeroma lata* n. sp., a new marine isopod from Kii, Japan. .... 273
20. **Utinomi, H.:** Epibenthic or planktonic caprellids from the environs of Tanabe Bay (Amphipoda: Caprellidae). ..... 281
21. **Tokioka, T.:** A supposition on the systematic position of *Namiella bistigmata* C. MONNIOT & F. MONNIOT. .... 291

No. 5 (January 31, 1969)

22. **Utinomi, H.:** Caprellids from Kamaé Bay, northeastern Kyusyu (Amphipoda: Caprellidae). ..... 295
23. **Miya, Y. and S. Miyake:** Description of *Alpheus bellulus*, sp. nov. associated with gobies from Japan (Crustacea, Decapoda, Alpheidae). ..... 307
24. **Harada, E.:** On the interspecific association of a snapping shrimp and gobioid fishes. .... 315
25. **Nishimura, S.:** A new *Cymodocella* from Japan (Isopoda: Sphaeromatidae). ..... 335
26. **Gamô, S.:** Notes on three species of harpacticoid Copepoda, *Porcellidium* sp., *Peltidium ovale* THOMPSON & A. SCOTT, and *Dactylopusia* (?) *platysoma* THOMPSON & A. SCOTT, from Tanabe Bay. .... 345

No. 6 (March 31, 1969)

27. **Morishita, A.:** On some echinoids found in Suruga Bay. .... 363
28. **Nishimura, S.:** On the identity of BRODSKY's *Epilabidocera amphitrites* and *Pontella pulvinata* WILSON, 1950 with *Pontella longipedata* SATO, 1913 (Copepoda: Calanoida). ..... 381
29. **Nishimura, S.:** *Gnorimosphaeroma salebroso* sp. nov. from the coast of Kii, Japan (Isopoda: Sphaeromatidae). ..... 385
30. **Baba, K.:** Taxonomic study on *Tritoniopsis elegans* (AUDOUIN, 1826) from Seto, Japan (Nudibranchia: Dendronotoidea). ..... 395
31. **Baba, K.:** Records of *Learchis indica* BERGH, 1896 from Japan and Hawaii (Nudibranchia: Eolidoidea). ..... 399
32. **Araga, Ch.:** Young form of the rare coral fish, *Malacanthus latovittatus* (LACÉPÈDE), from Tanabe Bay. .... 405

---

**Record of works** done at the Seto Marine Biological Laboratory (published in 1965). ..... 411

**RECORD OF WORKS**  
**DONE AT THE SETO MARINE BIOLOGICAL LABORATORY**

1965 (昭和40年)

- |  | <i>Contribution</i><br>No. (Jap. No.) |
|--|---------------------------------------|
| BABA, Kikutaro and Takasi TOKIOKA: Two more species of <i>Gastropteron</i> from Japan, with further notes on <i>G. flavum</i> T. & B. (Gastropoda: Opisthobranchia). Publ. Seto Mar. Biol. Lab., <b>12</b> (5), 363-378, pl. XXV. ....                                   | <b>431</b>                            |
| *藤本克己・梁瀬健・奥植良信: Pulmonata 眼の光刺激に対する反応. 動雑, <b>74</b> (11/12), 358. [FUJIMOTO, Katsumi, YANASE, Takeshi and Yoshinobu OKUNO: Response of Pulmonata eyes to photostimulus. Zool. Mag., <b>74</b> (11/12), 358.]  |                                       |
