

86 women from 37 countries

25 different languages

A film project initiated in January 2021

A blackboard in Claudia Malvenuto's office, Rome

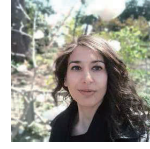

THE TEAM

Eugenie Hunsicker
Mathematicien
U. of Loughborough, England

Irina Linke
Documentary filmmaker
Germany

Sonia Mahmoudi
Mathematician
U. of Tohoku, Japan

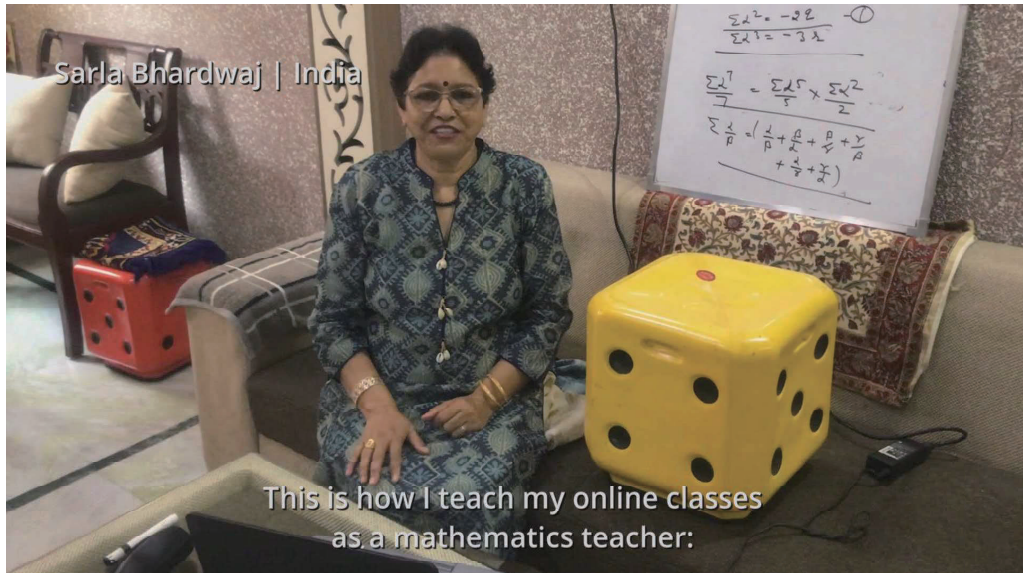

Claudia Malvenuto
Mathematician
U. di Roma La Sapienza,
Italy

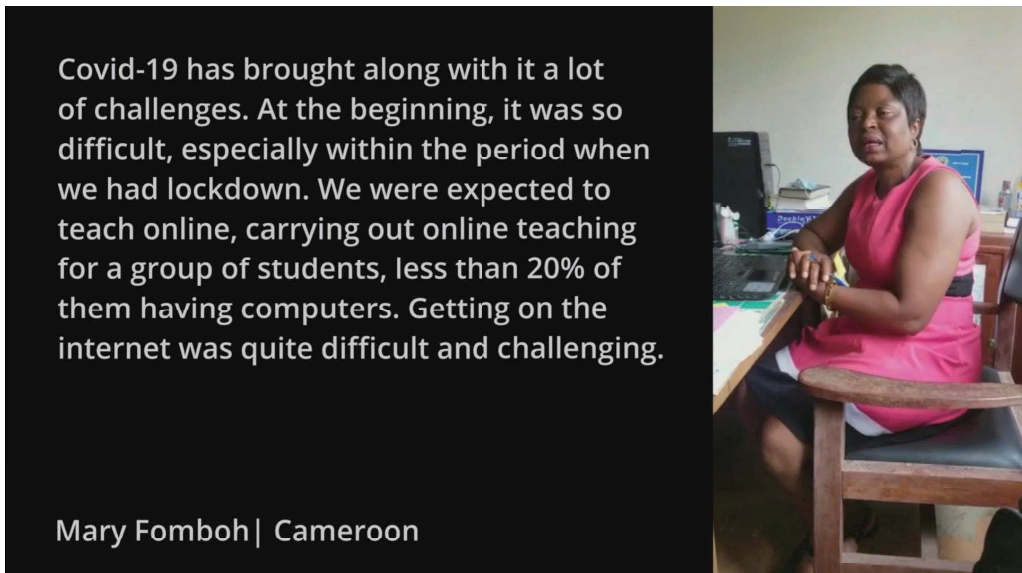

Eriko Shinkawa
Mathematician
U. of Tohoku, Japan

Sylvie Paycha
Mathematician
U. of Postdam,
Germany

I have thought a lot, how it would have been, had the pandemic hit me ten years earlier, in Mexico City, without a permanent position and with two teenage kids, who – more most of all – wanted to spend time outside the house.

Gabriela Araujo | Belgium

Angela Tabiri | Ghana

The positives include my ability to join online seminars and conferences in Europe and America from Ghana.
