Published three times a year (April, August and December) by

THE PHYSICO-CHEMICAL SOCIETY OF JAPAN

in the Department of Physical Chemistry,  
Kyoto Imperial University, Japan.

Dear Sir,

One year has passed since the English edition of "The Review of Physical Chemistry of Japan" was sent out to universities and laboratories in the world with the support of various academic circles in Japan. We flatter ourselves that this journal has taken a leading part in introducing the most recent developments of our chemical world to you through complete abstracts of Japanese physico-chemical literature.

We thank you for your kind support and encouragement in the publication of the new edition and again solicit your further support in our future activities,

Yours faithfully,

*Shinkichi Horiba*

Editor.
