

Dear Sir :

Beginning with Number 50, 1970, "Wood Research" will be published entirely in European languages, and a separate periodical "Wood Research Review" for Reviews, Notes in the field of wood science, and Abstracts of the papers published elsewhere by the members and associates of the Institute will be again issued in Japanese.

These are distributed without charge and preferred to exchange of similar articles with scientific institutions and libraries throughout the world. All communications concerning Wood Research and the Review should be addressed to the Wood Research Institute, Kyoto University, Uji, Kyoto, Japan.

Sincerely,

Director
Professor Koichiro Kitao
