1. Introduction

Tutuba language is spoken as the traditional language of Tutuba islands, Vanuatu. An Oceanic language, it is spoken as a first language by approximately 500 people (Lynch and Crowley 2001 p47.).

The phonemes of Tutuba are: /b t d k m n η β s h r l (b) (m); i e a o u/. (/b) (m)/ are pronounced by the older (more than 50) and now young generation pronounce /b m/ instead. Voiced stops are prenasalized. This is mostly noticeable in non-utterance-initial position as well as other Oceanic languages.

The following two texts are in the Tutuba language, and narrated by Turambue (male, 70’s), who was born and raised in Tutuba. They are folktales about the bush sprites who have long hair, long nails and can fly. I translate these texts into both English and Japanese. Abbreviation in glosses and Orthography are shown in page 147.

2. Texts

The following two stories were recorded on 15 August 2004 in Feoa village.

---

1There are several reports about the number of Tutuba language speakers. For example, Lynch and Crowley (2001 p47.) reports that the number of the speakers is 500, and SIL(http://www.ethnologue.com/ 2004. 12/02) reports 100.

2The bush sprite is translated into the Iisefsef in Bislama which is recognized in the Vanuatu Constitution as the national language. The following description is about the Iisefsef indicated by A New Bislama Dictionary. “Iisefsef(n) bush sprite [The appearance differs from island and island. On some island, this is a short hairy man with long fingernails who typically lives in roots of banyan tree. On other islands, it may have the appearance of a normal adult man or woman.]” (Crowley 1995 p136.)

3I would like to express my gratitude to my informant and friends in Tutuba for their cooperation. Thanks to Turambue, Elles and John Tapi. I am also thankful to Annie who corrected my English.

4 Feasi (ツツバ語) はピスマラ語では lisefsef、英語では bush sprite と訳され、日本語では妖精、魔女、鬼、悪魔などさまざまな訳がこれにあたると考えられる。本論では悪魔という語を和訳に用いた。
に前を通るかかった人々に向かって悪口や呪いの言葉を呟いていました。悪口と言われた人々は腹を立て、「彼女を殺してみよう。どうやって殺そうか」と話し合いました。

さて、とある日、一男の男が洞穴の前を通りかかりました。悪魔は彼の名前を呼び、彼を口汚くののしりました。男は彼女にひどく失望し、「よし、彼女を殺してしまうね」と思いました。その後、人々の「いったいどのように彼女をやっつければよいだろうか、あなたは悪魔の殺し方を知っているのですか」、という問いかけに対し、彼は「知っています。僕が彼女を殺しましょう」と答え、何匹かの大きなトカゲ、そして小さなトカゲ、それから数匹の猫を殺しに出かけて行きまし。男は大小のトカゲと猫を殺し、それらを腐らせようと罠に投げ込みに行きました。そして、それらが腐ったところあいを見計らって彼は罠へと赴き、腐敗物をかき集めて自分自身の体に塗り始めました。彼は腐敗物を身にまとった状態で悪魔の住む洞窟の穴の前に立ちました。

すると、その匂いをかがいめた悪魔が洞窟から出てきたではありませんか。彼女は彼を見るために出てくると、彼を見つけて笑いました。それから、彼ら２人は話を始めました。彼らは話し、笑い、そうこうしていると悪魔のほうから彼らに「一緒に遊ばないか」と誘いを持ちかけてきました。男は「いいよ、一緒に遊ぼう」と答え、悪魔は「いいね、いいね」と二人で遊べることを喜んだのです。しかしながら、実は、男は彼女を恐れていたのです。そこで、彼は次のように悪魔に言いました。「もし僕たちがあなたが遊ぶのであれば、こんなふうに遊びましょう。僕は君を上げ、力強く下に降ろすんだ。次に君は僕を上げ、ゆっくりと優しく僕を着地させるのさ。どうだい？」悪魔は「いいよ、そうしよう」と答えました。

さて、彼らはお互いにしっかりと相手をつかみました。悪魔は男を担ぎ上げ、それからゆっくりと下に降ろしました。次に男は悪魔を担ぎ、悪魔が死ぬように激しく地面にたたきつけました。しかしながら、悪魔は死なずによろよろと立ち上がり、男を担いでやさしく地面に降ろしました。着地した男は再度悪魔を担ぎ、スモノの木（dragon plum）の地上に大きく張り出した根っこめがけて投げつけました。しかし、それでも彼女は死にませんでした。なぜなら、彼女は悪魔なのでそう簡単には死なないのです。

悪魔はふらふらしながら起き上がり、男を担いでまたゆっくりと下に降ろしました。男はまた悪魔を担ぎ、今度は岩に向かって投げ付けました。悪魔は男が自分を殺すつもりであることなど、これっぽっちも思っていません。

２人はこのように担いでは降ろすという行為を続け、わずかながら進んでゆっくりに大切な会合が開かれる家の近くにまでやってきました。悪魔は担いだ男を家の入り口
A Bush Sprite and a Good Man

I will tell you a story of a bush sprite.

Once, a wicked bush sprite sat at the entrance of the cave where she used to live. She sat there watching people walking by the cave. As someone walked by she greeted them with rude words. Those people were so upset by the rude words she used to say that they talked “Let’s kill her. How shall we do?”

One day, a man walked by the cave, hoping that the wicked bush sprite will greet him with good words, instead the wicked bush sprite called his name and told very rude words. The man was very disappointed and decided to kill her to stop her rudeness. People asked him, “How can you get rid of this wicked bush sprite? Do you know a way to do?” The man replied, “Yes. To my best effort I will get rid of her.” He set off to the bush, killed some lizards and some cats. He put them together and threw them into a pit to get rot. After some days the stale debris began to give out some bad smells. He collected the stale debris and rubbed them all over his body. Without a minute wasted, he set off again to the cave. As he reached the cave, he went to the entrance, stood there, waiting to see the wicked bush sprite.

The bush sprite had a sent of the stale debris. Immediately she came out of the cave with a big smile on her face. She saw the man standing at the entrance to the cave and talked to him. They talked and laughed. She asked the man to play a game with her. The man agreed with fright. They decided to play the game this way as his suggestion. Firstly the man had to carry the bush sprite to some distance and threw her hardly down. Next the bush sprite had to carry the man
to some distance and put him gently down. They agreed to follow the procedures mentioned above.

The game began. They hold each other. The bush sprite carried the man to some distance and put him gently down. The man carried the bush sprite to some distance but put her down very hardly hoping that she would die, but unfortunately she stood up again. Very slowly the bush sprite stood up with great pain, carried the man to some distance and put him gently down. The man had his turn, this time he threw the bush sprite onto a huge tree with very high roots which gives great injury to the bush sprite.

With great pain and unable to stand up firmly, she carried the man to some distance and put him gently down. This time the man took the bush sprite to a huge rock and threw the bush sprite onto it, hoping that she would die, but she didn’t. She didn’t realize that the man was intending to kill her.

The game continued until they came near to the villager’s traditional house where the chiefs were sitting inside. The bush sprite gently put the man at the door of the house. The man quickly carried the bush sprite and threw her inside the house. The chiefs quickly picked their club, started biting the bush sprite on the head. Her mother arrived just in time when the biting was getting worst and she is almost dead. She flew around making a funny noise such as: “Prrrrrrrr”. She quickly took the bush sprite away leaving the chiefs inside he traditional house, sitting wondering to where the bush sprite and her mother had gone to.

悪魔らは男の子たちを殺そうとさまざまなに努力をしましたが、うまくいきません。女の悪魔は自分の乳房もぎ取ると肉に変えて「この豚のお肉をお食べ。」と兄弟に差し出しました。年上の男の子はこっそりそれを下に置き、先ほど拾った木の実を取り出して弟にそれを渡しました。木の実を食べているとは思わない悪魔の男は、「おお、見なさい！弟は肉を食べているよ！」と妻に言いましたが、本当に食べていたのでしょうか？いえ、彼らに渡した肉は床に置かれ、彼らは食べてはいなかったのです。二人の悪魔は子供たちを眼らせようとしましたが、うまくいきませんでした。すっかり疲れてしまった男の悪魔と女の大悪魔は眠りこんでいました。
Two Bush Sprites and Two Little Boys

One day, a husband and a wife had two sons. They decided to go to the mountain to collect some food. The two children stayed at home. The parents had been to the mountain for so long, so the oldest son took his brother to the bush to look for wild nuts.

When they were collecting some ripe nuts, a wicked sprite appeared to them. Then she asked them, “what are you doing?” “We are collecting nuts”, said the eldest son. The wicked bush sprite quickly changed her face into an ordinary kind man’s face and asked the two children to go with her to her home. They started walking until they came to a huge rock. The wicked bush sprite spoke with great surprise. She said, “Open big rock!” suddenly the huge rock swung open, and she asked the two children to get inside the huge cave. The wicked bush sprites husband was sleeping as they got inside. Suddenly he woke up and asked his wife, “When did you get these grandsons?” She replied, “I saw them from the bush and brought them here.” “Well done. Come here to have a little nap!” said the husband. At last the two wicked bush sprite decided to have them for supper. They asked them to go to bed so they could kill them.

The youngest son felt asleep, but the eldest was so frightened that he cried and couldn’t sleep. The wicked wife said, “granpa, our food slept.” The eldest son heard the wife whispering and asked, “Grandma, what are you talking about?”
The wicked bush sprite replied, “Nothing. I was just chatting with your granpa.”

The wicked bush sprites were trying their best to kill the two children, but unfortunately they failed. The wicked lady stood up and broke one of her breast and quickly gave it to them to eat. She said, “Eat your pork!” The boy quickly put the breast clown and took a nut and gave his youngest brother to eat. The two wicked bush sprite thought the two children were eating the breast, but they didn’t. They were eating nuts instead. The husband said, “Umm! Old lady look! He is eating his pork!” The wicked bush sprites tried their best to have them for their supper but they couldn’t. At last, the wicked bush sprites were tired and felt asleep.

The eldest son quickly walked close to where they were sleeping, sat down beside them and carefully tied all the hairs from the arm pit, head and their feet together. He carried his brother and quickly walked towards the huge rock. He said, “Open big rock!” The rock swung opened and they both went to outside. Suddenly the two bush sprites woke up and saw no one sleeping near them. They quickly said, “tausana mandusana tausana mandusana tausana mandusana!”

The two children ran very fast to reach their home. At last they reached their house where they met their happy parents. They were very excited to be home again. The parents were so happy to have them home again, that they collected many foods and wild pigs and host a very big feast.

The story ends.
