

Errata to “Internal Waves in Lake Biwa (I) — The Responses of the Thermocline to Wind Action —”

Presented in Vol. 19, No. 161.

By Seiichi KANARI

(Manuscript received July 6, 1970)

Corrections of some numerical errors appearing in the paper “Internal Waves in Lake Biwa (I)” presented in the Bulletin, Vol. 19, Feb. 1970

Errata

Page 26, line 3 change $\frac{B}{2r} = 6.6$ to $\frac{B}{2r} = 42.0$

Page 26, line 7 change about 2.2 to about 6.6

Fortunately, in spite of these errors the fundamental results of this study remain unaffected.
